

# NOVENTO USER GUIDE: MEDIA REGISTRATION

NOVENTO is an online platform to manage accreditation requests to access events organised during the Hungarian Presidency of the Council of the European Union 2024. This guide goes step by step through the procedure to request accreditation for one or several events.

## 2. LOGIN AND IDENTIFICATION

The official website of the Presidency provides a link to the platform to apply for media accreditation.

The screenshot shows the login page of the HU24EU Accreditation platform. The header features the HU24EU logo and the text "Accreditation platform for the media" with language options for "EN" and "HU". The main content area contains the following text: "Only accredited journalists and media staff may access the venues of the Presidency." Below this, it states: "This space will allow you to request for accreditation for several meetings of the Presidency of the Council of the European Union and obtain all elements necessary for your participation. For more information, click here." The central part of the page is an "Authentication" form with two input fields: "E-mail" and "Password". A "Log in" button is located to the right of the password field. At the bottom of the form, there are two links: "Not registered yet? Create a new account" and "Forgot your password? Request a new password".

## Step 2

If you are registering as a new user (i.e., you have not received login details):

- > Indicate your first name and surname;
- > Select the language you will use to request your accreditation;
- > Enter the verification code displayed on screen (an audio version is also available);

It features several input fields: 'E-mail \*', 'Confirmation \*', 'Password \*', 'First Name(s) \*', 'Surname \*', and 'Language \*' (a dropdown menu set to 'English'). There are also 'Cancel' and 'Validate' buttons at the bottom. A CAPTCHA section is visible on the right, showing a distorted image of the text 'OXFZE' and a text box for the verification code.
